RE: Notice of Change in Water Right Ownership

Dear Property Owner(s):

Our office has received your Notice of Change in Water Right Ownership (copy enclosed). During the initial review of the paperwork, it was noted that you listed water right number 65-2255 to be included in this ownership change. It appears you received a portion of your water from Warner Ditch Company, which is the sole water right holder for water right number 65-2255. If this is the case, then the water right remains in the name of this entity and you should contact them concerning the ownership change.

Please note, this ownership change has been forwarded to our State Office to process the change for water right numbers 65-8134 and 65-9763.

If you have any questions concerning this matter, please feel free to contact this office at any time.

Sincerely,

Adjudication Section
Western Region
