Re: Water Right Adjudication Claim(s) A25-02122A, A25-02123, A25-07068

Dear Water User:

Idaho Department of Water Resources (IDWR) is reviewing claims to water rights in the Snake River Basin Adjudication in your area. Water Resources Field Services has been retained to do field inspections to aid the Department in making correct recommendations to the court. In the next weeks and months I will be contacting you to make an appointment to look at your diversion works and uses of water.

The main purpose for this visit is to identify and photograph the place of use and point(s) of diversion for the older licenses.

I look forward to helping make sure your water right recommendation is correct. Please contact me if there is a particular time that would be most convenient for you. You may call in the evenings, or leave a message on the answering machine.

Sincerely,

Bryce A. Contor
