Re: George Miller – Water Rights
GP File No. 7184-2

Dear Roxanne:

I am representing George Miller for water right matters on his ranch in Lemhi County. I received your letter to George dated July 26, 2004 requesting information in support of three beneficial use claims: 73-4092, 73-10085 and 73-10087. In response to your letter, George has compiled several documents supporting the claimed priority dates. As you no doubt know, the water rights on the ranch are fairly complicated, with multiple sources and place of use overlaps. For this reason, I would like to arrange a meeting with you to compare notes. I understand you are out of the office this week. When you return, would you please call me to set up a time meet? My number is 388-1270.

Sincerely,

John M. Marshall
