

A25-04210 Summary 9/19/03

1) Ownership.

O'Donnel & Holverson were bought out by State of Idaho for highway expansion. Map of POU does not include their property.

Stott sold to Harris, Harris will submit A ownership form.

Addresses are correct. Steve's phone number should be 523-9228. Person at 523-9288 requests no further contact.

2) POD. See layout. GPS waypoint 4210-1 660,992 E 272,910 N

3) POU. See layout. 6 lots 1/2 acre w/ homes & driveways, road up the middle. 2 1/2 acre undeveloped lots are not irr. from well.

4) Overlap. Users have Progressive Irr. water but very little (some users said "none") is used on lands of proposed POU.

A25-04210 Summary p2

- 5) Water use. I propose 0.11 cfs / 3.6 cfs for in-home domestic per Field Examiner's Handbook for 6 homes, plus 0.03 cfs / 3.5 cfs per acre for GIS-supported irrigation (0.03 instead of 0.02 for parcels < 10 acres).
- 6) Evidence of Priority. Water agreement in file has been recorded at courthouse in 1960, evidence appears OK.
- 7) Photos. One of POD, 2 or 3 of POU.
