DISTRICT COURT-SRBA
TWIN FALLS CO., IDAHO
FILED _____

**IN THE DISTRICT COURT OF THE FIFTH JUDICIAL DISTRICT OF THE
STATE OF IDAHO, IN AND FOR THE COUNTY OF TWIN FALLS**

In Re SRBA	)	Subcases: See Exhibit A Attached
	)	
Case No. 39576	)	ORDER SETTING INITIAL HEARINGS
_____	)	

**I.
PROCEDURE**

- A. The above-captioned subcases were originally assigned to Special Master Thomas Cushman pursuant to an Order of reference. This Court has rescinded the Order of Reference. Initial hearings have never been held for these subcases.
- B. All of the subcases involve objections filed by the United States Bureau of Reclamation and the Boise Project Board of Control to the recommended period of use for each water right claim. Although the objections are identical, each subcase is fact specific as concerns the period of use.
- C. At a status conference held before this Court on August 17, 2004, it was represented that the Bureau of Reclamation and the Board of Control had offered a proposed settlement to their objections, but it was not clear whether all claimants had the opportunity to review the proposal.

**II.
ORDER**

Therefore, THE FOLLOWING ARE ORDERED:

- A. **Service of Proposed Settlement:** The Bureau of Reclamation and the Board of Control shall serve copies of the proposed settlement on all claimants in the above-captioned subcases **no later than September 20, 2004.**
- B. **Review of Proposed Settlement:** All claimants shall review or have reviewed by counsel the proposed settlement prior to the date set for the Initial Hearing.

C. **Initial Hearings:** The Initial Hearings for all subcases shall proceed as follows. Because of the number of subcases, the hearings will be conducted over a two-day period. Each day will begin with an informal question and answer period where the claimants will have the opportunity to meet with counsel for the Bureau of Reclamation, the Board of Control and IDWR personnel for the purpose having questions answered regarding the proposal and discussing settlement. Claimants with subcases set for hearing on that day will need to attend the question and answer period set for that morning. Thereafter, the hearings will proceed in ten (10) minute intervals for purposes of either notifying the Court of a resolution or, alternatively, setting the matter for trial. Any matter where a Standard Form 5 is not filed will be set for trial; however, Standard Forms 5 received prior to the time and date set for trial will result in the trial being vacated.

D. **Mandatory Attendance.** All parties are required to attend in person or through counsel. Telephone participation is not available. Failure to attend may result in the matter being automatically set for trial in claimant's absence.

E. **Initial Hearing/Scheduling Conferences are set as follows:**

September 28, 2004, Idaho Supreme Court Building, 200 West Front Street, Boise, Idaho

10:00 – 11:30 Question/Answer/Discussion Period for claimant with subcases set as follows:

F. **Tentative Trial Dates.** Trial dates are tentatively set during the time periods December 1-23, 2004 and February 1-18, 2005. Trials will be held at the Snake River Basin Adjudication Courthouse in Twin Falls, Idaho, and telephone participation will not be available. Prior to these Initial Hearings, all parties should check their calendars for unavailable dates during these two time periods. For those subcases proceeding to trial, specific trial dates will be confirmed before the close of your initial hearing.
