RE: Evidence of Priority for SRBA Water Right Claim 21-2054A

Dear Mr. Carlsen:

We are writing on behalf of our client Natural Guardian Limited Partnership to respond to your letter of June 15, 2004. As I recall, we have visited by telephone about this matter earlier and we pointed out that water right number 21-2054 is in fact a licensed water right. We understand that there is no additional evidence of priority required, but if we may be of further assistance, please feel free to call upon us at your convenience.

Yours very truly,

Kent W. Foster
