Dear Mr. Jedry:

Could you please provide me with the GPS locations of the City of Idaho Falls wells, for the purpose of verifying locations for the Snake River Basin Adjudication? I am working under contract with Idaho Department of Water Resources. You may contact Michael Holliday or Ernest Carlsen at the Eastern Regional Office at 208 525 7161 to verify this data request.

If these data are available in IDTM coordinates (meters), that is the most useful to IDWR. However, latitude and longitude would also be adequate. You may mail the results to the address above, FAX to 208 663 4350, or e-mail to bcontor@hotmail.com. Please call me at 208 681 9100 or leave a message at 208 663 4667 if you have questions.

Thank you,

Bryce A. Contor
