Notice of Change of Water Right Ownership
Idaho Department of Water Resources
PO Box 83720-0098
Boise, Idaho 83720-0098

This notice is an accompaniment to form 42-248/42-1409(6) by which new ownership of water rights number 21-7331 is identified. The above water rights currently owned by The Pinehaven Planning Board are to be transferred to the owners of lots 27, 28 and 29 of the North Pinehaven Division 1 in Fremont County, and the owner of lots 11, 12 and 13 of the Pinehaven Division 1 all located in Township 11N, Range 42E, Section 12, Tract NW SW. It is intended that ownership be registered by general title to whoever owns the above lots rather than by actual titular name to facilitate subsequent water right transfer in the event of future sale of the lots or transfer of title by inheritance. It is for this reason that no ownership signatures have been affixed to the above referenced form. The rights in question apply to Well number 2 which serves a maximum of four existing residences, water being used for domestic purposes.

Correspondence with the IDWR Adjudication Department has indicated that since the water rights are in the Upper Snake River area and adjudication is incomplete as of this filing, no fee is due at this time.

Should any further information be required to complete this transfer please contact:
