DEPARTMENT OF THE INTERIOR,
OFFICE OF INDIAN AFFAIRS,

WASHINGTON. December 2, 1908

Subject:
Land set apart for ranger
station.

The Honorable

The Secretary of the Interior.

Sir:

At the request of the Associate Forester in letters of November 12, and 25, 1908, respectively, I recommend that the W/2 of the SE/4 of the NE/4 and the E/2 of the SW/4 of the NE/4 of Sec. 29, T. 18 N., R. 24 E., B. M., situated in the Agency and school plant and school farm of the Lemhi Reservation, Idaho, be reserved and set apart as a ranger station for use in connection with the administration of the Salmon National Forest, provided that nothing in this order shall interfere with the use and occupancy of any ground and buildings occupied by the custodian in charge of the reservation, or with the five-acre tract occupied by the Foreign & Domestic Missionary Society of the Protestant Episcopal Church, and that the Commissioner of the General Land Office be requested to make the necessary notation of this reserve on the records of his office and hold it from all forms of settlement and entry when the lands become to be disposed of.

The Indian title to the lands in the reservation, including the agency and school plant and school farm, has been

Very respectfully,

Acting Commissioner.
