Case No. 39576

) ORDER OF REFERENCE APPOINTING
) TERRANCE DOLAN SPECIAL MASTER
)

On April 13, 1998, a *Partial Decree* was entered for the above-captioned water right. However, the Clerk of the SRBA Court failed to docket the entry of the *Partial Decree* in the Court's register of action (IWATRS). On July 12, 1999, a late objection was filed by William and Judy Gulley to the water right, which has been proceeding before Special Master Dolan. Apparently, the Court, the Special Master, and the parties have been proceeding unaware that a *Partial Decree* has already been issued for this water right. A copy of the *Partial Decree* is attached hereto as "Exhibit A." The Court notes that a status conference has been previously set for May 14, 2002. The parties should be prepared to discuss how to proceed in this subcase in light of the previously issued *Partial Decree*.

Special Master Terrance Dolan is appointed as special master for subcase 36-15161 for the purpose of recommending to the Court the resolution of any issues presented by the above-described procedural posture of this subcase. Special Master Dolan shall set proceedings in conformity with *SRBA Administrative Order 1*, section 9, notwithstanding the provisions of I.R.C.P. 53(d)(1), and exercise the power to regulate all proceedings in every hearing and to do all acts and take all measures necessary or proper for the efficient performance of his duties under this Order.

IT IS SO ORDERED.

Dated April 29th, 2002.
