	)	FOR WATER RIGHT 37-13652

I. FINDINGS OF FACT

A notice of claim was filed for this water right by the United States, USDA Forest Service. The Director of the State of Idaho Department of Water Resources examined the water system for this reporting area. This claim was based only on state law, and asserted a priority date of June 1, 1885. The *Director's Report* contained a recommendation for the elements of this water right. At the hearing on March 7, 2002, IDWR reported that it had investigated the priority date prior to issuing the *Director's Report*.

Objections were filed by Pickett Ranch & Sheep Co., Joe Tugaw, Jared Bedke, Bruce Bedke, Joyce Livestock Company, Jerry Hoagland, Scott Bedke, Karl Bedke, Michael Poulton, Gary Poulton and Western Stockgrowers Association (hereafter "Objectors"). The "Objectors" filed a *Notice of Withdrawal of Objections* on January 29, 2002, and the *Objection* was dismissed with prejudice. There are no unresolved objections remaining.

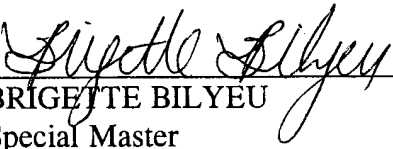

II. CONCLUSIONS OF LAW

The United States claimed this right under state law. There is no assertion that this right is based on a federal reservation. The United States claimed the priority date as June 1, 1885. That priority claim was investigated by IDWR and recommended in the *Director's Report*. Recommendations in *Director's Reports* have *prima facie* weight as set forth in I.C. § 42-1411(4)-(5). Where the *Director's Report* draws a conclusion as to priority date, the *prima facie* weight afforded the *Director's Report* confers a presumption that sufficient proof has been made to

prevail on the issue, absent competent evidence to the contrary. If rebutted, the presumption disappears, and the party with the benefit of the presumption retains the burden of persuasion on the issue. *State v. Hagerman Water Right Owners*, 130 Idaho 736, 947 P.2d 409, 418 (1997). The *Director's Report* was not challenged.

Based on the file and record herein, IT IS RECOMMENDED that this right be decreed with the elements set forth in the attached *Special Master's Recommendation for Partial Decree*.

DATED: April 9, 2002.
