Case No. 39576

) STANDARD FORM 5
)
)

) STIPULATED ELEMENTS OF A
) WATER RIGHT
)

This form is used to report the stipulated elements of one water right acquired under state law. Submission of this form will not automatically result in the issuance of a partial decree. The Presiding Judge or Special Master will conduct any hearing necessary to determine whether the facts, data, expert opinions and law support the issuance of a partial decree for the water right.

The parties agree that the Snake River Basin Adjudication Court has jurisdiction of the parties and subject matter to enter a partial decree for this water right; and they have been served with sufficient process, according to the law; and that they have appeared, prosecuted and defended their positions with regard to this water right dispute.

As a result of settlement, water right no. 29-11335 has been split into water right nos. 29-13690 and 29-13691. Therefore, the claimant and IDWR agree and stipulate that this water right should be disallowed per the attached and recommended as water right nos. 29-13690 and 29-12691. The claimant and IDWR have further indicated their concurrence by their signatures below and by initialing the attached page.
