Rights (United States Department of Agriculture and Agricultural Research Service) dated October 22, 2001, the United States of America, on behalf of the United States Department of Agriculture, Agricultural Research Service ("United States") respectfully moves the Court to enter an Order granting permission to file an Amended Notice of Claim in subcase no. 31-11201, and as grounds therefore, states:

1. The United States must amend its Notice of Claim to the use of water in the SRBA because:

The quantity should be .27 CFS.

2. This motion and the amended notice of claim are timely.

3. Counsel for the United States in this matter is designated below and has read SRBA
