COMES NOW LU Ranching Co. ("LU Ranching") by and through its counsel of record and hereby moves for an extension of time, to and including May 2, 2003, within which to file its brief on LU Ranching's Motion to Alter or Amend on the issue of the accuracy of the legal descriptions contained in the Special Master's Report and Recommendation, Findings of Fact and Conclusions of Law for Water Rights 55-10288B et. al. In support therefore, LU Ranching submits the following:

1. On March 28, 2003, both the United States and LU Ranching filed Motions to Alter or Amend. LU Ranching's Motion was limited to the issue of possible technical errors in the legal descriptions contained in the Special Master's ruling (hereinafter "technical issues") while the United States' motion concerned both technical and substantive issues.
2. As addressed in LU Ranching's Motion to Alter or Amend, and as addressed in a joint telephone conference with the Court on April 9, 2003, the parties are working together in an attempt to resolve the technical issues by way of stipulation. In order to meet that objective, LU Ranching requests an extension of time to and including May 2, 2003 within which to file its brief in support of LU Ranching's Motion to Alter or Amend addressing the technical issues for the Court. The United States does not object to the requested extension of time.
3. Counsel for LU Ranching has been advised that the United States intends to file its brief on both substantive and technical issues on April 11, 2003. LU Ranching
