County of: ADA

STEVEN M. SPENCER, being first duly sworn upon oath, deposes and says:

1. I am currently employed by the United States Department of Agriculture, Forest Service ("Forest Service"), as the consumptive water use specialist at the Boise Adjudication

Team. I have been employed by the Forest Service for 26 years.

2. As part of my assigned duties and responsibilities, I oversee water right claims submitted by the Forest Service in the Snake River Basin Adjudication ("SRBA"). Attached as Exhibit 1 is a true and correct copy of claim number 77-10835, as amended and before the Court in the SRBA.

3. I have reviewed Exhibit 1, as amended by the Forest Service for Pilot Peak Lookout.

4. I have reviewed Forest Service historical records describing the reservation of early forest reserves, which later became known as National Forests. Based upon my review, the lands upon which the reserved water right claim is located, including both the legal locations of the point of diversion and place of use as described in Exhibit 1, were added to the Idaho and Payette National Forests in A Proclamation signed by President Woodrow Wilson on December 27, 1919. This consummated the Act of Congress, dated October 29, 1919, Public No. 69, which set apart and reserved certain lands in central Idaho as national forest lands. This is substantiated in historical documents maintained by the Idaho State Office of the United States Bureau of Land Management in Boise, Idaho. Attached as Exhibit 2 is a copy of the above referenced Proclamation.

5. The priority date, December 27, 1919, for this reserved water right claim corresponds to the date of the Proclamation adding lands to the Idaho and Payette National Forests. *See* Exhibit 2.

6. Based upon the forgoing, I have personal knowledge of the following elements of the federal reserved right claim 77-10835 attached hereto as Exhibit 1, submitted in the SRBA:

a. The land at the legal descriptions shown as the point of diversion and place of use is federally reserved National Forest System land. It was added to the Idaho and

Payette National Forests as lands reserved in central Idaho in a Proclamation signed by President Woodrow Wilson on December 27, 1919. It is now part of the Payette National Forest.

b. The name and address of the claimant is: UNITED STATES OF AMERICA acting on behalf of the USDA Forest Service, 550 W. Fort Street, MSC033, Boise, ID 83724.

c. The priority date is: December 27, 1919.
