Counsel for the United States of America

**IN THE DISTRICT COURT OF THE FIFTH JUDICIAL DISTRICT OF THE
STATE OF IDAHO, IN AND FOR THE COUNTY OF TWIN FALLS**

In Re SRBA	)	Subcase No. 77-11518
	)	
Case Number: 39576	)	AFFIDAVIT OF THOMAS GIONET
_____	)	

State of: IDAHO
County of: CUSTER

Thomas Gionet, being first duly sworn upon oath, deposes and says:

1. I am currently employed by the United States Department of Agriculture, Forest Service (Forest Service), as a Supervisory Range Technician on the Middle Fork Ranger District of the Salmon-Challis National Forest. I have been employed by the Forest Service for 14 years.

2. As part of my assigned duties and responsibilities as a Supervisory Range Technician on the Middle Fork Ranger District, I am familiar with use at Seafoam Guard Station.

3. I have reviewed the reserved water right claim, as amended and attached as Exhibit 1, submitted by the Forest Service for Seafoam Guard Station (Claim).

4. The Claim was prepared by Forest Service personnel as part of their normal duties. I verified the legal locations as set forth and described in Exhibit 1 and have personal knowledge that the location of the point of diversion and point of use and source of the water supply are true and correct as described in Exhibit 1.

5. The Claim is situated wholly within National Forest System lands. It is currently utilized by the Forest Service at Seafoam Guard Station to manage National Forest System lands.

6. The Claim is necessary for the administration of the National Forest pursuant to the Organic Administration Act of 1897, 16 U.S.C. § 475 *et seq.*, for the purposes of securing favorable conditions of water flow and to furnish a continuous supply of timber.

7. The United States filed this Claim for use in association with Seafoam Guard Station, an Administrative Site located in a remote part of the Salmon-Challis National Forest. The administrative site includes a two story dwelling, a cabin, a garage a warehouse, a barn, a blacksmith shop, a corral, a pasture and other capital improvements. It is used every year. This is a gateway to the Frank Church River Of No Return Wilderness. Personnel utilize water at this site for administrative purposes. The primary uses are by back country/wilderness recreation,

trails, and range. Occupation and use of Seafoam Guard Station is essential to the overall administration of Forest Service programs on this part of the Salmon-Challis National Forest. Personnel working from this site monitor resources and people in the back country. Their work, contacts with people and presence in the area serves to improve and protect the forest from depredation and destruction by people and fire, thereby ensuring the continued viability of the resources on surrounding federally reserved National Forest System land. This contributes directly to enhancing resource conditions such as watershed protection, preservation of timber stands, wild land character, and public safety thereby maintaining and improving watershed conditions, timber production and favorable conditions of water flow.

8. Based upon personal experience and knowledge, discussions with Forest Service personnel and review of relevant Forest Service records, including but not limited to, on-site inspection records, water has been historically, and is presently utilized at Seafoam Guard Station in quantities up to and including 0.02 c.f.s. during the period of June 1 through October 31, as described in Exhibit 1.

9. Based upon the forgoing, I have personal knowledge of the following elements of the reserved water right claim:

a. The name and address of the claimant is:

UNITED STATES OF AMERICA acting on behalf of the U.S.D.A. Forest
Service, 550 W. Fort Street, MSC033, Boise, ID 83724.

b. The source of water is:

Spring

c. The location is:

1) point of diversion:

B.M., T. 14 N, R. 11 E, S. 13 SWSW.

2) place of use:

B.M., T. 14 N, R. 11 E, S. 24 NENW.

d. The quantity of water is:

0.02 c.f.s.

e. The period of use is:

June 1 through October 31

f. The purpose of use is:

Administrative purposes at Seafoam Guard Station.

Dated this 8 day of April, 2003.

Thomas Gionet
Thomas Gionet

SUBSCRIBED and SWORN to before me this 8th day of April, 2003.

Ethel M. Peck

NOTARY PUBLIC FOR:
