Summary

9/18/03

- 1) POD is in section 21 per map, but use GPS to identify correct quarter-quarter-quarter. It may be in SW NW? GPS reading 670,037 E 277,021 N Waypoint 80
- 2) POA appears correct on layout, claimant agreed w/ layout. Layout includes county road on South, claimant acknowledged road should be out. Note claimed reference to accomplished change in POA.
- 3) Overlap. Ditch & headgate shared with other users Gilbert, Gilbert, & Meyers. Other users convey Progressive & perhaps Farmers Friend water through the ditch. This claim is overlapped by claimant's Enterprise canal water also carried by this ditch. Locally the diversion & ditch are known as the "Orville Cooper Ditch."
- 4) Photos - 1 of POA from SE corner, 1 of POD, 1 of ditch at POD.
