A25-00090 / A25-00091 Summary 9/18/03

- 1) Ownership. I never did contact owners but the letter did not come back so apparently the address is still OK.
- 2) POD. Appears to be correct. GPS 668,254 E, 276,677 N Waypoint 90.
- 3) POU. Claimed POU is irrigated, layout appears OK.
- 4) Overlap. Claims list overlap of right 25-00082. Attached query shows no claim exists. No mention is made of canal shares but POU showed recent irrigation. Per other Willow Creek users, Willow Creek water runs out early so I presume overlap of canal co. water.
- 5) Photos. 1 of measuring flume in ditch, 1 of headgate, 1 of POU from N side.
