Re: Water Right Adjudication Claim(s) A25-00174A, A25-00071A

Dear Water User:

Idaho Department of Water Resources (IDWR) is reviewing claims to water rights in the Snake River Basin Adjudication in your area. Water Resources Field Services has been retained to do field inspections to aid the Department in making correct recommendations to the court. In the next weeks and months I will be contacting you to make an appointment to look at your diversion works and uses of water.

The main purpose of this visit is to locate and photograph the headgate(s), ditches, and irrigated lands. A similar letter is being sent to co-claimants Kevin Avery and Roy Avery.

I look forward to helping make sure your water right recommendation is correct. Please contact me if there is a particular time that would be convenient for you. You may call in the evenings, or leave a message on the answering machine.

Sincerely,

Bryce A. Contor
