SPECIAL MASTER'S REPORT AND
RECOMMENDATION

FINDINGS OF FACT AND
CONCLUSIONS OF LAW

I. FINDINGS OF FACT

The above-captioned water rights were claimed in the SRBA as "dual based" claims, pursuant to state law and as a federal reserve water right pursuant to Public Water Reserve 107, by the United States Department of the Interior, Bureau of Land Management. An objection was filed by the State of Idaho objecting to the "priority date." On December 28, 2001, Judge Roger Burdick issued the *Memorandum Decision and Order on Challenge (Scope of PWR 107 Reserved Rights); Order of Recommitment to Special Master Cushman*. On June 30, 2000, A.L. Cattle, Inc., filed a motion seeking to file late objections to these and other claims. On August 15, 2002, this Special Master issued an *Order Dismissing Motion to File Late Objections Pursuant to Stipulation; Order Removing A.L. Cattle as a Party; I.R.C.P. 41(a)(1)*, which resolved all issues regarding the motion filed by A.L. Cattle, Inc.

On December 9, 2002, a hearing was held on these subcases pursuant to Idaho Code 42-1411A(14), which requires the United States to demonstrate a *prima facie*

showing of the existence of the claimed federal reserve water right. In conjunction with that hearing, the United States filed an *Affidavit of Frederic W. Price* and an *Affidavit of Robert R. Mallis*. This Special Master also took sworn testimony of Frederic Price. At hearing testimony was given that the place of use for water rights 65-19960 and 65-19962 were homesteaded at the time that President Coolidge signed the enactment of Public Water Reserve 107.

CONCLUSION OF LAW

Therefore, based on the file and record herein, IT IS RECOMMENDED that water rights 65-19812, 65-19814, 65-19816, 65-19822, 65-19824, 65-19826, 65-19909, 65-19911, 65-19913, 65-19915, 65-19917, 65-19956, 65-19958, 65-19964, 65-20129 and 65-22175 be decreed as a federal reserve water right with the elements as set forth in the attached *Recommendations for Partial Decrees*. IT IS FURTHER RECOMMENDED that water rights 65-19960 and 65-19962 be decreed as state based water rights with the elements as set forth in the attached *Recommendations for Partial Decrees Pursuant to I.R.C.P. 54(b)*.

Dated December 18, 2002.
