RE. Filing Fee-Motion to File Late Notice of Claim - 72-201B

Dear Mr. Wildman:

As per our conversation on June 7, 2004, this letter is to confirm that the Shoshone-Bannock Tribes are exempt from paying fees when filing through the Snake River Basin Adjudication (SRBA) and are not required to pay for the most current filing of the Motion to File Late Notice of Claim, subcase 72-201B, recently received by the SRBA.

Cordially,

Janell Decker
