IN THE DISTRICT COURT OF THE FIFTH JUDICIAL DISTRICT OF THE STATE OF
IDAHO, IN AND FOR THE COUNTY OF TWIN FALLS

In Re SRBA Case No. 39576	)	NOTICE TO SUBMIT FOR
	)	A DECISION
SUBCASE NO. 43-10356	)	

On December 4th, 2002, Objectors filed a JOINT MOTION FOR ADMINISTRATIVE ORDER. A copy was mailed to the Director of IDWR through the Attorney General's Office.

Clark W. Ward did not participate in the JOINT MOTION because his water rights are not affected by Claim No. 43-10356. His water rights are all upstream with earlier priority than Joneses Claim and therefore, there is no potential effect, adverse or otherwise, on Mr Ward's water rights. All of the other water rights on Almo Creek are upstream with earlier priority than Claim No. 43-10356 and therefore there is no potential effect, adverse or otherwise, on any of the Almo Creek water rights.

On January 23, 2003 the Objectors submitted a proposed order for the Court to sign. If the Court signs this order, no one downstream on Raft River will be adversely effected. In fact they will be benefitted with the increased water supply which will result from this order. The water users on Raft River have senior water rights which will probably not be filled in 2003 and therefore it is important for Joneses to release the water and not take any more until all senior

water rights are satisfied.

On January 22nd, 2003 the District Court sent a letter to all parties explaining what needs to be done to proceed with this Motion For Interim Administration of Subcase 43-10356. In the last paragraph of the letter the Court say's a copy of the Joint Motion must be sent to the IDWR Director, which has been done through his Attorney. Another copy has been sent to the IDWR Director at 1301 North Orchard Street, Boise, Idaho 83706. The only person who could possibly be adversely effected by signing the order would be the Claimants, William D. Jones and Son. They have a copy of the Motion through their Attorney Roger D. Ling. Therefore all necessary actions have been taken by the Objectors. A hearing has been requested by both the Claimant and the Objectors as soon as possible.

Signed this 24th. day of January, 2003.

Roscoe Ward
