Re: Snake River Basin Adjudication
Claims 36-16057, 37-20730

Dear Mr. Rigby,

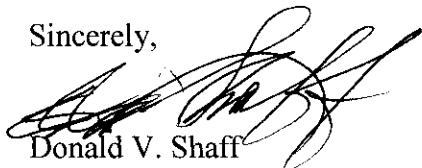

The claims you submitted to IDWR have been reviewed for form. The receipts for the claim filing fees are enclosed. (C062736 for 36-16057; C062737 for 37-20730.) The information below may be helpful to you.

Claim 36-16057 is in an area of the state where IDWR has completed investigating and reporting the water right claims to the SRBA Court. Any further claims brought forward must be presented first to the Court in the form of a Motion for Late Claim before the claim comes to IDWR. IDT's claim is returned for that purpose. I would suggest specifically providing a month and day for the priority date. Left as it is, IDWR will affix the last day of the year. The Standard Form 4 for the motion is enclosed.

A copy from the data entry of IDT's claim 37-20730 is enclosed. Here you will see the last day of the year 1968 was used for the priority. If you can identify a more specific date, you may amend this claim when you wish prior to IDWR reporting the claim to the Court that will be in 2004 as currently scheduled.

Should you have questions about these claims or the adjudication process, please contact me or Sally Sherman in this office. The IDWR regional office staff in Twin Falls will investigate these claims.

Sincerely,

Donald V. Shaff
Adjudication Section Manager
