	)	Subcase No. 65-03115
In Re SRBA	)	
	)	MOTION FOR PRE-HEARING
Case No. 39576	)	CONFERENCE
	)	
	)	

Pursuant to Rule 10(m) of Snake River Basin Adjudication ("SRBA") Administrative Order No. 1 and Rules 7(b)(1), 7(b)(4) and 16 of the Idaho Rules of Civil Procedure, the Roseberry Irrigation District, by and through its counsel of record, Dana L. Hofstetter, respectfully moves the Court to schedule a telephonic pre-hearing conference in the above-referenced subcase. The hearing currently is set for April 4, 2003. The Roseberry Irrigation District respectfully requests that a telephonic pre-hearing conference be set for or before March 31, 2003.

The grounds for this Motion are as follows:

1. Counsel for the Roseberry Irrigation District plans to introduce various Idaho Department of Water Resources ("IDWR") files, United States public land records, Valley County District Court documents, and, possibly, other governmental records into evidence at the April 4, 2003 hearing. Counsel for the Roseberry Irrigation District would like to confirm with the Court the acceptable procedure for admitting certified copies of such records into evidence.
2. Since certain witnesses, including IDWR representatives and others, may not be available due to age or other factors, their testimony may be submitted by affidavits. Counsel would like to confirm the acceptability of this approach.
3. Counsel also would like to discuss the Court's preferred procedure for marking exhibits. Additionally, other administrative matters may need to be discussed to ensure the efficient conduct of the hearing on April 4, 2003.
4. The United States Bureau of Reclamation and the Black Canyon Irrigation District have resolved their Objections in this subcase with the Roseberry Irrigation District and are no longer active participants. Garrick Baxter of IDWR has indicated that he would be available on March 31, 2003 for a telephonic status conference.

DATED this 21st day of March, 2003.
