

BEFORE THE DEPARTMENT OF WATER RESOURCES

OF THE

STATE OF IDAHO

IN THE MATTER OF SNAKE RIVER	)	NOTICE OF FACT-FINDING
Basin Adjudication Water	)	HEARING, PART 2
Right Nos. 51-2214, 51-4000A (split	)	
into 51-12976 & 51-12977), and	)	
51-10207 (split into 51-12978 & 51-12979)	)	
	)	

The Idaho Department of Water Resources (IDWR) has scheduled the above captioned matter for a continued fact-finding hearing on **Thursday, March 27, 2003, at 8:30 a.m.** at the offices of **IDWR, located at 1301 North Orchard St. Boise, ID 83706, Conference Rooms A & B.** The fact-finding hearing will be held in accordance with provisions of Idaho Code § 42-1410(1) and the Rules of Procedure of the Department. A copy of the rules may be obtained from the IDWR upon request. The presiding officer at the hearing will be David R. Tuthill, Jr.

The intent of this fact-finding hearing is to assist IDWR in developing a full and adequate disclosure of the facts surrounding the above-mentioned Snake River Basin Adjudication (SRBA) water right recommendations. Thus, the parties are requested to bring to the hearing all information concerning the above-mentioned SRBA water right recommendations including documents, witnesses and other explanatory data. **In addition, IDWR requests that the parties be prepared to provide written answers to the following questions:**

1. How many residences (including mobile homes or trailer homes) are currently located on both the Robertson and Kohring property? Please describe or provide a map showing the location of each residence.
2. Are there any residences that were historically located on either the Robertson or Kohring land that are no longer there?
3. What date was each residence built or placed on the Robertson and Kohring land?
4. Which well does each residence get its water from? If a residence is connected to more than one well, please list all wells the residence is connected to.
5. What date was each residence connected to each well? If residence is connected to more than one well, please give date the residence was connected to each well.
6. When each residence was connected to the well(s), was water immediately put to

beneficial use?

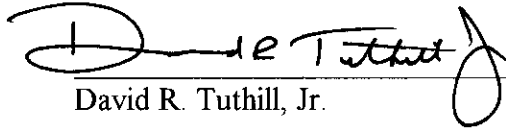

7. Previous testimony indicated that water from the well in section 25 and the wells in section 36 is co-mingled into a pond in section 25 and then applied to both Robertson and Kohring land. What year did this practice commence? How were the Robertson and Kohring lands irrigated prior to the co-mingling practice?

If any of the parties plan to offer exhibits for the record, note that IDAPA Rule of Procedure 37.01.01.606 requires that a copy of exhibits be provided to each party and to the presiding officer.

The fact-finding hearing will be conducted in a facility which meets the accessibility requirements of the Americans with Disabilities Act. If you require special accommodations in order to attend, participate in or understand the hearing, please advise IDWR within ten (10) days prior to the hearing.

All parties to the matter will have the opportunity to respond and present information and argument on all issues involved.

Dated this 24th day of March, 2003.

David R. Tuthill, Jr.

In Addition: There is now a way to research water rights over the Internet. The system is a graphical or text query system and can be accessed from the IDWR home page:

<http://www.idwr.state.id.us>

From that link, select "Snake River Basin Administration" toward the lower left hand of the screen. Then select "Map" or "Text" on the next page.

"TEXT" lets you search water rights via Name, Legal, Source, etc.

Enter in the information you know. Information can be entered under more than one tab. After you have completed entering your information, select "Search".

"MAP" allows you to search water rights graphically.

Use the tools on the Left side of the screen to Zoom in and out. To find out what each button does, hold the cursor over the button for a second. To the Right side of the screen are different layers that can be turned on or off. As you zoom in to your place in question, different layers will appear on the right side of the screen.

A HELP function is available within the application or you can call 1-800-451-4129 or (208)327-7906 for help.
