This 40 acres with the spring was part of what we called the 'Brooks place' where I spent my summers working with cattle during the 60's. This pasture became mine in July of 2000.

Jimmie K. Waddoups rented the pasture for 20-30 days for 20 cow-calf pairs the late summer of 2000. He didn't rent it the next year but while fixing fence, we found that someone had installed a spring box and there was 100 ft or more of black pvc pipe connected and water was directed to a hole dug by a small willow on the otherside of the fence.

I talked to my dad about this and he said that there had never been any dispute over the spring and that it was illegal for some one to trespass in this way. I detached the pipe and my daughter pulled it over onto the Waddoups property. Later my husband talked to Jimmie K. and was told that his father, Tommie Waddoups, had installed the pipe.

This spring rises and sinks on this 40 acre property. It should not be disallowed for my use.

Thank you, Paula Davies
