DISCUSSION

Charter Mountain Ranch, Inc. objected to the season of use element as reported in the Director's Report for Irrigation & Other Uses, Reporting Area 6, IDWR Basin 61 on February 16, 1999. Thereafter, this water right recommendation was included in the *Amended Director's Report Re: Season of Use Element for Irrigation Claims for Cold Springs Creek & Tributaries for Basin 61* ("Amended Director's Report") filed with the court on or about September 14, 2001.

Since the season of use element has been resolved with the filing of the Amended Director's Report, the parties and IDWR agree and stipulate that the elements of this water right should be described per the attached. The parties and IDWR have further indicated their concurrence by initialing each of the attached pages.
