	)	DECREES

On April 15, 2002, this Court received correspondence from the claimant of the above-captioned water rights, Nick Hillman, seeking to have the previously issued *Partial Decrees* set aside, and the period of use element changed to an earlier starting date. The matter was referred to Special Master Bilyeu for further proceedings. The Special Master, after a hearing on the matter, issued a *Master's Report and Recommendation* on August 8, 2002, recommending that no changes be made to the previously issued *Partial Decrees*. No party filed a motion to alter or amend the *Special Master's Report and Recommendation*, and the time for doing so has now expired.

Pursuant to I.R.C.P. 53(e)(2) and *SRBA Administrative Order 1*, Section 13f, this Court has reviewed the findings of fact and conclusions of law contained in the *Special Master's Report* and wholly adopts them as its own.

Therefore, IT IS ORDERED that the claimant's motion to set aside and amend the previously issued *Partial Decrees* is denied.
