In Re SRBA	) Subcase No.: 31-07605, 31-07607,
	) 31-07608, 31-07613, and 31-07616
	)
	) MOTION FOR RELIEF FROM
Case No. 39576	) PARTIAL DECREE TO CORRECT
_____	) CLERICAL MISTAKES

Pursuant to Idaho R. Civ. P. 60(a), the United States of America, by and through the undersigned attorney, respectfully moves this Court to set aside the partial decrees entered in the above-captioned subcases, correct clerical mistakes in the partial decrees, and re-enter the partial

decrees. A Memorandum of Points and Authorities and Exhibits 1 through 5 in support of this Motion are filed herewith.

MEMORANDUM OF POINTS AND AUTHORITIES

On January 17, 2002, the parties in the above-captioned subcases filed fully executed Standard Forms 5 that revised the Director's Reports for the Water Right Numbers 31-07605, 31-07607, 31-07608, 31-07613, and 31-07616. On May 29, 2002, the Special Master filed Special Master's Reports and Recommendations recommending that the water rights be changed in accordance with the Standard Forms 5. Amended Special Master's Reports to correct the water right descriptions were filed on June 27, 2002. Partial Decrees were entered on August 1, 2002. Counsel for the United States recently discovered clerical errors in the Standard Forms 5, Special Master's Reports and Recommendations, and Partial Decrees for Water Right Numbers 31-07605, 31-07607, 31-07608, 31-07613, and 31-07616.

Counsel for the United States caused Exhibits 1 through 5, attached hereto, to be drafted by United States Department of the Interior, Bureau of Land Management water rights specialists. Exhibits 1 through 5 identify corrections that should be made to each Partial Decree by striking out items that should be deleted and underlining items that should be added.

The Idaho Rules of Civil Procedure allow relief from judgments to correct clerical mistakes.

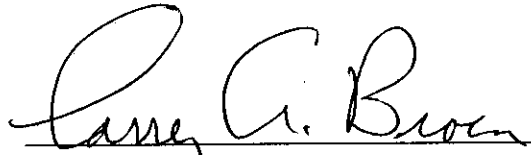

The rule states:

Clerical mistakes in judgments, orders or other parts of the record and errors therein arising from oversight or omission may be corrected by the court at any time of its own initiative or on the motion of any party and after such notice, if any, as the court orders.

Idaho R. Civ. P. 60(a). There appearing to be good cause, this Court should set aside the Partial Decrees entered in the above-captioned subcases, correct the clerical mistakes in accordance with attached Exhibits 1 through 5, and re-enter the Partial Decrees, as corrected. The claimant of the above-captioned water right claims, and the Idaho Department of Water Resources, should be given a reasonable time to concur with, or object to, this Motion.

DATED this 9th day of October, 2002.

Respectfully submitted,

Larry A. Brown
Of Attorneys for the United States
