Re: SF5s enclosed for Subcase Nos. 31-11700 and 31-11701

Enclosed herein are service copies of the SF5s referenced above. There are unconventional in appearance, as they do not include the SF5 cover page and certificate of service. However, they include all required signatures and were accepted by the SRBA Court on the record as SF5s during a settlement hearing on September 12, 2002.

Please call me if you have questions regarding these enclosures.

Sincerely,

A handwritten signature in black ink, appearing to read "Vicky L. Musit", is written over the typed name.
