RE: 45-137, 45-138, & 45-13488

Dear Robert,

After our meeting this morning, I realized that some of the acres you claimed under these rights are on BLM ground, namely the acres in the NESW, NWSW, and SESW of Section 26, see enclosed map. Do you have an agreement with BLM to irrigate these acres? Based on our experience in other basins, the BLM will object to these rights and either have you stop irrigating public land or want a portion of the water right. I thought we might want to address this issue before I recommend any acres on BLM ground.

As for the priority date on the Enlargement claim (45-13488), maybe you can find an old timer who remembers driving by this place and can write an affidavit as to **when** he remembers the acres being irrigated. I can recommend a priority date based on any credible evidence you can submit.

Please give me a call and let me know what you want to do about the BLM acres.

Sincerely,

Jeanie Robertson
Sr. Water Resource Agent

RE:
CLAIM TO RIGHTS

HE SAID HE OWNED AN OLD DECREE RIGHT SHARED WITH HIS NEIGHBOR. TARA HAD PROVIDED HIM WITH PROOFS OF THE WR/AJ DATA FOR 45-00137 & 45-00138. HE STATED HIS PROPERTY WAS IN THE SE $\frac{1}{4}$ NW $\frac{1}{4}$ SEC. 34 BUT I SHOWED HIM HOW THE RIGHTS WERE NOT DECREEED TO HIS PARCEL IN THE NW $\frac{1}{4}$. HE TOOK THE PRINT OUTS AND I SUGGESTED HE SKETCH OUT THE PROPERTY HE OWNS AND WHERE THE RIGHTS WERE DECREEED AND WHERE HIS NEIGHBOR CLAIMED ACRES. THIS WILL GIVE A BETTER VIEW OF WHAT IS REPRESENTED BY THE RIGHTS. I TOLD HIM HE IS FREE TO CLAIM ANYTHING HE WISHES TO CLAIM REGARDLESS OF WHAT HIS NEIGHBORS CLAIMED OR I MIGHT HAVE SAID.

Memorandum

To: TRANSFER #66119 (Shoulder "3" Ranches Inc)

CC: 45-137, 45-138, & 45-13488

From: Jeanie Robertson 

Date: 10/1/2002

Re: AJ Review & Recommendation

This transfer was filed back in June of 2000 and was based on adjudication claims 45-137 & 45-138, with a 105.2 acre place of use. It was filed to change the point of diversion and record the historical place of use. It was eventually sent to the State Office for approval, but was returned to our office in December of 2001 along with a memo from Pam Skaggs suggesting that another claim might be needed, as not all of the claimed acres were part of the original decreed place of use. 45-13488 was filed to identify the 35.6 extra acres with a priority date of 2/22/1925 (one day after the decree was signed). It was later determined that some of the acres were on BLM ground, so the claimant decided to amend his claims and delete the acres on BLM ground, leaving the total place of use at 80.3 acres. (45-13488 now represents 10.7 beneficial use acres and the two decreed rights have a combined place of use of 69.6 acres.) I have attached copies of the recommendations and layout and recommend approval of this transfer.

Subject: FW: SRBA Recommendation for 45-137 & 45-138

-----Original Message-----

From: Skaggs, Pam

Subject: SRBA Recommendation for 45-137 & 45-138

Hi Allen,

I began a review of Transfer 5752/66119, Shoulder 3 Ranches Inc, and have questions that Jeff felt should be answered by the AJ staff prior to issuing a transfer approval.

Rts 45-137 & 45-138 were decreed originally to the same land, described only by QQ with no specific acres listed. SRBA claims have 68.8 acres in the original QQs and 36.4 acres listed in additional QQs.

When reviewing transfers of claims based on WRs, I compare the two looking for expansion. It's not unusual to find that acres have shifted under these old decreed rights over time. However, looking at the decreed QQs on the arc view map shows possible irrigated acres in a relatively confined area. There doesn't appear to be "historically irrigated acres" that may have been retired as the system changed to include other QQs, but possibly an expansion of the original system. If you have other information about these rights that would clarify this matter, please let me know.

Otherwise....Since our approval will create a recommendation, Jeff felt that this transfer was a good candidate to have the claims investigated & recommendations made by the SRBA prior to our transfer approval. We can approve the transfer with reduced acres in a permissible place of use if the rights are recommended with lesser acres.

Could you discuss with Doug Jones & let me know what kind of response time to expect. I will HOLD processing the application until I hear from you &/or receive recommendations from AJ staff. Call if you have questions.

Pam

PS: Merry Christmas!
