

4/28/2004

25-7009

Jeff, of the City of I.F., who was familiar with the water use history at Sandy Dunes, said that water was used in the horse stalls in the NWNW and for the rodeo grounds, concessions and restrooms in the NENW through 1987.

Please see paper file A25-02095 for field notes regarding City of Idaho Falls water rights.
