ATTN: Michael Holliday

Dear Mr. Holliday:

In response to the IDWR letter of October 24, 2003, please be advised that in 1963 I personally enlarged the acreage of barley and alfalfa that I irrigated on those areas west of the ranch road from the pond that is fed by the Steele Springs. Also, in 1967 I personally enlarged the acreage of barley and alfalfa that I irrigated on those areas on the south end of my ranch near the cattle guard from a pond which flows into Deer Creek.

If you have any additional questions, please feel free to contact me at (208) 523-5424.

Sincerely,

Ralph J. Steele
