✓ To: Michael Holliday; Adjudication Agent, BASIN 25

This letter advises your office that The Burgess Canal & Irrigating Co. has been working closely with Mr. Mark J. Larson of the Boise office to update our subject maps. The latest update (Revision 3) reflects our service boundary and irrigated farmland acreage. We used the guidelines of the SRBA counting acres workshop held at Idaho Falls and the handout provided. Mr. Mark J. Larson stated he would send you copies of the latest map(s) update. Also the latest map update will be on the IDWR internet site. Please include this latest mapping update in our file for Basin 25 adjudication.

Please refer any questions or comments to the undersigned.

Respectfully,

Lloyd Hicks
