Met with Corey Poole. He said that the ground that is currently being irrigated with these water rights is the same ground that has historically been irrigated, to the best of his knowledge.

Poll corrected by claimant. Poll is the same for all of the above rights. Point of diversion is the same as 25-234 (thear) for:
25-11218, 25-11219, and 25-245.
