In June of 1935 I personally observed the irrigation of pasture and the watering of sheep on the land described as T03S R43E 34 NWNE. This land belonged to John P. Madsen. I was cutting fence posts for John at the time.

To Whom It May Concern:

I Tessie Lombard have lived in Idaho most of my life. I will be ninety-seven years old on Dec 12, 2003. When I married Ernest A. Lombard in 1939 I was introduced to the Grays Lake Valley. I have lived there during the summer since that time. Over the years my husband and I acquired a number of properties at the north end of Grays Lake. Namely the original Herman Wakeman Ranch, the Moses Wakeman Ranch and the John Madsen Ranch.

The one thing that I noted (saw) on my first visit to the valley in 1939 was how green it was and the irrigation-taking place on each of the above-mentioned properties.

I told my husband if we ever get a chance during our lifetime we should buy each of these ranches. We did just that buying from the original homesteaders heirs. I have had a good life mostly because of my love for Gray's Lake and the ranches around it. My property there is now in the hands of my children.
