Re: Willow Creek Adjudication Claims A25-00012B and A25-00194A

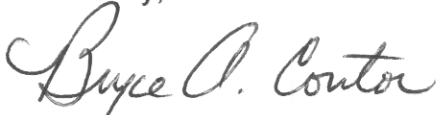

Dear Mr. and Mrs. Severe:

Today I visited with Mr. Allan Gilbert about the Arvel G. ~~Avery~~^{Cooper} Willow Creek water rights for a property east of Idaho Falls. Mr. Gilbert said that you now own the ~~west~~^{east} part of that property, in the SW 1/4 of Section 19, Township 3 North, Range 39 East.

Enclosed is a "Notice of Change of Ownership" which you may fill out and take in or send to the Idaho Department of Water Resources, so that you receive the notice of the Department's preliminary recommendation on your water right. There will be no fee if you get this processed before the adjudication partial decree is issued. You will need to enclose a copy of the deed, inheritance documents, or sale contract to show your ownership.

Please call me if you have questions, or you may call IDWR at 525-7161,

Sincerely,

Bryce A. Contor
