- NOTE: Initially Orval Avery filed on all of 25-72 even though his property on covered a portion of the deeded place of use. On Aug 17, 2004, I met with John Avery, son, to discuss distribution of this right. John agreed that a portion of 25-72 should go to Vance Avery. The result is reflected in 25-14/08 & 25-14/10.

Ernest Carlson.

Since all of P.O.U for Lucile Avery is covered by 25-144 there is no need to recommend enlargement claim 25-14022.
