Re: Subcase Nos. 45-12477 *et al.*

Dear Special Master Dolan:

The purpose of this letter is to provide you a written status report regarding the State of Idaho's objections to those subcases that are set for a status conference on October 14, 2004. Your order listed a total of thirty-six subcases. The State of Idaho filed today a STIPULATION TO RESOLVE OBJECTIONS, which applies to twenty-five subcases listed on the attached Exhibit A. The State of Idaho had previously executed SF-5s for four subcases that are listed on the attached Exhibit B. Finally, the State of Idaho is not a party to seven of those subcases that are listed on the attached Exhibit C. Accordingly, the State of Idaho respectfully requests that it be excused from participation in the status conference set for hearing at 9:00 a.m. on October 14, 2004, since the filing of the STIPULATION TO RESOLVE OBJECTIONS resolves all of our remaining objections.

Sincerely,

A handwritten signature in black ink, reading "David J. Barber".
