RE: Jay L. & Rhonda Edwards

Dear Ms. Brown:

I see from my file that I wrote to you on July 21, on behalf of Mr. Glen Seaberg of Salmon, regarding a preliminary recommendation for number 74-14981. I have not heard from you yet, and hope you did receive our letter.

In addition, I was just contacted by Mr. & Mrs. Jay L. & Rhonda Edwards, also of Salmon. They own a small acreage which also appears to be part of the land formerly owned by Clarence and Myra Miller, the same as the Seabergs. Their concern is the same as that of the Seabergs; they indicate all of their land was historically irrigated and, except for the place where their home is now located, continues to be. The Edwards right appears to be number 74-321J and it appears they sent in a Notice of Error Reply.

I guess because of the move of the Boise IDWR offices, I do not seem to be able to reach anyone, or even access the information from the Internet as previously. At your convenience, I would appreciate hearing from you on these two matters and an opportunity to visit about the concerns of the Seabergs and the Edwards.

Thank you for your kind attention to this matter.
