Hello Karl J. Dreher,

We no longer use the spring. My dad irrigated up here with the spring for quite a few years, but he died in 1991.

We sold the upper flat a little over half acre, to the city of Orofino. They put in a 500,000 gallon water tank. We're hooked into it. We would like to use the spring for irrigation yet, but I had polio back in 1952 when I was 5 years old. Now I have the late effects of polio. My wife Betty Jean has not been feeling well, and we may have to sell out. It would be nice to still have the spring for whoever buys the land to have irrigation.

Sincerely,

Sherman & Betty Jean Altmiller
