

I, Nathan Merrill, installed a pump for the purpose of flood irrigating 25.2 acres. The acreage is located at: Sec. 19 Twnsp 5 N Rge 39 EBM. Point of diversion location beginning at a point on the East West Center line, (at the East most point), dividing Lot 10; located on the South line of the S E 1/4, N W 1/4, thence N W 180 ft., to point of diversion.

I installed this pump in April of 1950.

Nathan Merrill
