(nov 1st 2003) This is to certify that I own land ~~that~~ that joins Reed Humphreys land on his south border, east of the Gray Lake Rd.

Every year since 1948 I have seen him irrigate $1\frac{1}{2}$ to $2\frac{1}{2}$ acres on the south east corner of his property east of the road, with water from a creek known as Hawkline creek.

Bernard Lindstrom
