) SUBCASE NOS.: 31-07030B, 31-07031
) and 31-07032

On February 22, 2002, a *Partial Decree Pursuant to I.R.C.P. 54(b)* was issued for the above water rights. On April 15, 2002, the Court received a letter from Nick Hillman requesting that the *Partial Decree* be set aside and that the period of use be changed to April 1 through November 1.

A hearing was held May 2, 2002. At the hearing, IDWR reported that the claimant was seeking to change the beginning date of the period of use from May 1st to April 1st. IDWR also reported that these rights had been licensed in the late 1970's. The *Motion to Set Aside Partial Decree* was unopposed and was recommended granted to allow the claimant to show whether an amended partial decree should issue. At a status conference on August 7, 2002 claimant's attorney stipulated that there should be no change to the *Partial Decree*.

THEREFORE, IT IS RECOMMENDED that there be no changes to the *Partial Decree* issued February 22, 2002. No Amended Partial Decree should issue.

Dated August 8, 2002.
