ORDER

The above entitled matter came before the Court on the stipulation of the parties concerning a continuance of the oral argument on challenge for the subcases listed on attached Exhibit A, from August 13, 2002, to another date. The Court requested counsel to state on the record their reasons for the continuance as well as the progress which has been made concerning negotiations. The parties placed in the record the extent of the negotiations as well as the "detail work" which is holding up the final agreement of the parties. Both parties requested this Court to continue the matter.

As a result of the discussion, this Court hereby orders that the oral argument on challenge for the subcases listed on Exhibit A is continued until September 9, 2002. This Court in addition ordered the parties to continue negotiations until August 30, 2002. At that time if there is not an agreement between the parties this Court hereby orders counsel for the parties as well as the representatives of the parties who can enter into settlement negotiations including final settlement to be present in the SRBA courtroom on September 5 and 6, 2002, for further negotiations which will be overseen by the Court. There was no objection by either party to that order and therefore this Court orders the same. This Court also orders the continuance of the time within which to file a *Motion to Alter or Amend* for subcases listed on Exhibit B, which are currently before Special Master Tom Cushman. Such a motion to alter or amend shall be filed by September 9, 2002.
