SETTLEMENT CONFERENCE REPORT

COMES NOW Hal T. Anderson/American West Enterprises, Inc., Harris Ag, parties in the above-captioned subcases, and, together with the Idaho Department of Water Resources, submit this report pursuant to the Special Master's October 10, 2002 Order Setting Settlement Conference.

The parties and IDWR report to the Special Master that they met at the scheduled time and place on December 12, 2002, and discussed objections to these subcases and potential settlements thereof. The parties agreed that it is appropriate for Mr. Anderson to speak with IDWR's administrators in an attempt to resolve both his objections and the underlying problems with prior administrative processes. The parties also discussed the potential that Mr. Anderson may need to file an objection to water right no. 43-10812 to implement any settlement.

The parties hereto agree to submit a second settlement report to the Special Master by
