$$Q = \frac{(3)(8.814)(0.70)}{(2.31 \times 50) + 110} = 0.08 \text{ cfs}$$

The commercial use is humidifiers for the squid cellars. This would be covered under domestic. Recommend separate claims if claimant wants to maintain old priority date.

8/3/2003

Squid cellars built in 1910 and 1912, Mungala place in 1965, and the 2 James Hoff homes in 1939 + 1946.
