RE: Snake River Basin Adjudication (SRBA)
Notice of Claim to Water Right No. 74-1088
Change of Ownership

Dear Mr. Zook:

We have processed the change in ownership of the Claim to a Water Right referenced above. Please note that we are unable to remove your father's name from the claim unless we receive a copy of his death certificate or other documentation to confirm he (or his estate) no longer holds an interest in the property.

Enclosed is a copy of the water right claim. Please retain this copy for your file, and refer to this claim number in any future inquiries or correspondence. The reference to "Silver Bell Mining Claim" has been retained as being more specific to the water right than the more general "Mountain Boy Mining Claim Group".

The change in ownership for the previously decreed right 74-986 will be handled separately. Please call Kari-Lynn Townsend if you have concerns about that process. She can be reached at (208) 287-4952.

Sincerely,

Roxanne Brown
Sr. Water Resource Agent
