Re: Snake River Basin Adjudication (SRBA)
Notice of Error Reply – Subcase No. 74-820

Dear Lowell,

Thank you for your response to our preliminary recommendation of water right claim 74-820. This letter is an attempt to answer your questions and address your concerns about the recommendation. In addition, we have included copies of other rights that are subject to a change of ownership you recently requested.

You note on your reply that you cleared some brush in the southern portion of 74-820 and now may be irrigating more land than was decreed under the Lemhi adjudication. If this occurred prior to November 19, 1987, you may be able to file a claim for the additional land in the SRBA. If the enlargement occurred after November 19, 1987, you would need to obtain a new water right to continue to irrigate these lands legally. Please contact me concerning these options.

Please call me at (208) 287-4914 if you have additional questions or concerns. You may also reach me using email: roxanne.brown@idwr.idaho.gov.

Sincerely,

Roxanne Brown
