Re: Snake River Basin Adjudication (SRBA)
Notice of Error Reply – Subcase Nos. 74-954, 74-1826, 74-1827

Dear Mr. Morphey,

Thank you for your response to our preliminary recommendations of the water right claims noted above. This letter is an attempt to answer your questions and address your concerns about the recommendation.

You would like the irrigation season to be March 1 to November 15 for all three rights. The recommended irrigation season is March 15 to November 15, based on the Lemhi River Basin decree. The recommended irrigation season is the standard for all water rights in your area, and will not be changed at this time.

Please call me at (208) 287-4914 if you have additional questions or concerns. You may also reach me using email: roxanne.brown@idwr.idaho.gov.

Sincerely,

A handwritten signature in cursive script that reads "Roxanne Brown".
